DEPT

" By partnering with ChannelEngine, we have been able to find that sweet spot that we strive for at DEPT® between technology/marketing for ecommerce & marketplace management. Pushing the scale at which we can accelerate our clients' digital business to new heights.

- Kevin Veenman, Head of Marketplaces, DEPT®

Synergy that drives growth

Our partners play a vital role by filling any potential gap in our clients' strategy, logistics, or technical capabilities. By joining our network as a new partner, you can plug into a new source of high-quality clients who want your services to help them grow.

- ⊘ **Empower your customers to sell more globally, through scalable technology**
- ⊘ **Generate additional value-added services**
- ⊘ **Expand your client base with leads referred by ChannelEngine**
- ⊘ **Increase conversion rate for new business, through well-aligned co-selling**
- ⊘ **Create new revenue streams for your business**
- ⊘ **Reduce client churn by keeping them happy with the complete services they demand**

Our vision is to continue growing the proportion of sellers who benefit from our partner network. In 2019, this was 5% of our customers, and in 2022 this had grown to 48%.
